- Children will not be assembled for morning assemblies neither there will be any group activity.
- There shall be no use of the playground too.

### **ENTRY & EXIT**

It is advised to parents to pick and drop their children on their own as no school transport will be available keeping in view the SPO's for COVID-19. A limited number of students shall attend per day, they must line up before the commencement of lessons, with supervised social distancing and for compulsory thermal scanning. If there is any indication of raised temperature, the student shall be immediately segregated and the parents shall be informed to take their ward home immediately. The student shall not be permitted to return for physical classes until a negative COVID-19 report is submitted by the designated authority.

- Students must use sanitizer upon entering the gate.

In the best interest of health safety, it is compulsory for students to

- ✓ Wear prescribed face masks at all times.
- ✓ Carry a small sanitizer bottle for individual use.
- ✓ Water bottle and snack box for individual use.
- ✓ Rubber gloves for added protection.
- ✓ In case the child is suffering from cold, cough and fever is not to be sent to school.
- ✓ In case any family member is COVID-19 positive the child should not be sent to school.

### **Time table**

- ✓ The class time table shall comprise of five periods per day.
- ✓ Children are expected to carry written material only, which should not be shared in the interest of health safety.
- ✓ No mobile phones will be allowed within the campus.

For reassurance of parents, the following needs are to be kept in mind

All classrooms used by students shall be sanitized before the students enter.

To avoid physical contact between considerable numbers of children, there shall be no assembly, no lunch break, or permission to use the playfields.

Sanitizers shall be available in the public areas in addition to the personal sanitizers compulsorily carried by each student. Hand washes shall be available in the lavatories.

Furniture in classrooms has been arranged to ensure a minimum of Six feet distance in the seating of each student.

All students shall be sensitized about the spread of COVID-19 and the measures to prevent it.

It is being brought to your kind notice again that present steps are taken to gradually resume all physical classes. The health of our students is our priority. All reasonable precautions, as given above, shall be enforced. The cooperation of parents is required, along with counselling of children, to minimize the risk to themselves and others. The implementation of these measures shall be reviewed daily and a flexible approach shall be adopted for the reassurance of parents.

Thank you for your continued support.
