Grand-parents are not around forever....

.....Call them, visit them, laugh with them, hug them, let them speak and tell you the same old stories over and over again, give/take them their favourite foods and sweets, treat them with respect, patience and plenty of love.

Be kind to needy people, be humble to needy people, talk to them politely, help them by giving them food, water etc.

Note: This is the supportive content for the topic "Helping Old And Needy". Parents are requested to guide their children to learn the same. It has already been taught in zoom class.
